Mark your Calendar October 14 at 7:30am- Owensboro Health System will be sponsoring the October meeting and that will be held at the Career Center. If you would like to sponsor a breakfast, please call or email Pam Bolen at the Chamber office.

MESSAGE FROM THE PRESIDENT

When you read this the people of this great county will have sent their children back to school and just enjoyed another great Hancock County Fair. Summer will soon be over and fall will be upon us. Some of our college students had the opportunity to gain some valuable experience working at some of our local businesses. We need to thank these businesses for helping our students make some much needed college money. Whether they worked at one of the local industries or one of our small businesses or worked on one of the many farms around the county, it is great to see them get a chance to see what makes the world go around.

If you didn't make it to the fair, you sure missed a great time. The volunteers on the fair board do such a great job putting together a fair that is truly the best around! Pam did a great job getting samples and information from our county businesses to showcase at the Chamber booth at the fair. I had the pleasure to work at the booth on Thursday night and was so pleased to hear from so many people how much they enjoyed seeing what all is made right here in the county. I want to thank all the other board members for taking their turn in the booth and taking some of the pressure off Pam. I do know that Pam already has bigger and better ideas for what we can do next year. Yours in service

Jim
