A Message from the President

By the time you read this, the Sorghum Festival will have come and gone. The weather sure was nice and the crowds great. Pam done a great job getting the samples displayed so that visitors could marvel at all the great products created right here in Hancock County. Be sure to give a special thanks to Independence Bank for all the hard work they put in to make this festival a success.

Some of you that received an email from the Chamber office may have noticed that a statement made by Pam could have been interpreted as an endorsement of a particular candidate. The Chamber does not endorse any candidate as a policy, and Pam was only trying to encourage everyone to get out and meet all candidates so that we can all make an informed choice when we vote. Please exercise your rights and go to the polls on the 4th and vote for the candidate of your choice.

Take some time to enjoy the fall colors this week before the leaves hit the ground and you have to rake them up. They are never quite as pretty once you have to look at them at the end of your rake.
