MESSAGE FROM THE PRESIDENT

Thanksgiving has come and gone and everyone is busy getting ready for Christmas. With each holiday comes stress for the employee and employer to get everything accomplished and still take time to enjoy the holidays. If you were too busy to take the time to show people how really thankful you were during Thanksgiving, it's not too late. Be sure to show our fellow business owners that we are thankful for them by making as many of your purchases locally as possible. The money that stays in our local economy helps us all. As we get closer to Christmas, enjoy yourself and your family, but keep in mind what the true celebration is all about.

Jim
