Spotlight Business of the Month!

Padgett's Gadgets

Founded in June 2013, Scott Padgett had a vision of having his own business. That is when Padgett's Gadgets became a new business in Hancock County. They specialize in PC and Laptop repair, Data Retrieval, Industrial And Commercial Soldering and Circuit Board Repair, Industrial Wiring, Harness Build and repair. They troubleshoot, problem solve and repair Commercial and Industrial Electronics instead of replacing them.

Scott served 12 years in the U.S. Navy. His business is located at 210B 4th Street in Lewisport in the Old Case grocery building. His shop offers home and commercial repair services for laptops, PCs, tablets, net books, wiring harnesses and smart TVs as well as hard drive data retrieval. He also does soldering and component level on circuit cards. Where most home or industrial circuit cards are thrown away and replaced, he normally can repair them.

He takes pride that his customers are more than a number; they are friends and neighbors. He is extremely grateful to the people of Hancock County for supporting and putting trust in Padgett's Gadgets from day one. They look forward to serving this community long into the future. He reminds us that most of us carry data and pictures with us on our phones and on home PCs and laptops. Restoring and retrieving these things are priority for his company.

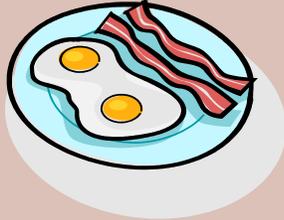

Board of Directors

- Tim Heavrin, President
- Tim Meserve, Vice President
- Steve Canepari, Treasurer

Breakfast Meeting Sponsors Needed

Please contact Pam at the Chamber office if your business would be interested in sponsoring a monthly breakfast.

Mark your Calendar: Upcoming Breakfasts

November 11 at 7:30am-**Hancock County Board of Education** will be sponsoring the November meeting and that will be held at the **Hancock County High School**.

December 2014 Breakfast will be hosted by many small businesses on December 9th. Pam will be contacting them to see if they will help celebrate the holidays.

January 2015- Will be Credit Unions month. **Kraftcor Federal Credit Union and Labor Management Federal Credit Union** will be hosting breakfast, at Career Center, starting at 7:30am.

MESSAGE FROM THE PRESIDENT

October is here and that can only mean that we are about to see the wonders of our Creator. The trees are beginning to turn to brilliant colors and the air has cooled. We are so lucky to live in an area where we get to experience the changing of the seasons. Warm weather year round would be nice, but who would trade the magnificent sights we are about to see for a few extra days of warm weather.

It will soon be time for the Highway 60 Yard Sale, so make plans to get out to sell some of your unneeded items or purchase the items you see that you just can't do without. Either way, be sure to support our local businesses while you are out finding treasures.

Be sure to look over the newsletter to see what all Pam has been up to and tell her what a great job she is doing when you see her out. *- Jim*
